The importance of Yoga is manifold this year. We can increase our immunity through Yoga and defeat COVID-19. Come, let us make Yoga an inseparable part of our lives from the 6th International Day of Yoga.

Yoga Karishu, Corona Ne Haravishu (Do Yoga to Beat Corona)

Gujarat State Yog Board

Visionary leader Shri Vijay Rupani established India's first of its kind Yog Board in Gujarat in order to pave a way towards the creation of a more prosperous society.

Gujarat Yog board will ensure that the age-old tradition of Yog is imbibed by one and all which will in turn contribute in increasing the Health and Happiness Index of the state.

Yoga training will be provided throughout the year from 7 am to 8 am and 17:30 to 18:30 hours every day through the Facebook Page of Gujarat State Yoga Board (@gujaratyogboard)

Planning by Ministry of AYUSH

The Ministry of AYUSH, Government of India has focussed on 'Yoga@Home' and 'Yoga with Family' this year in order to celebrate the International Day of Yoga toensure the well-being of the people. Our Prime Minister Shri Narendra Modi has also come up with a unique Yoga challenge where citizens are required to upload a 3-minute video on the theme of 'My Life My Yoga' on their social media accounts with #MyLifeMyYoga.

आपूप मंत्रातय MINISTRY OF AYUSH

The Prime Minister has kept prizes ranging from Rs.25,000 to Rs.1,00,000 in various categories.

Let us make yoga a part of our lives and ensure that the society and Gujarat becomes healthy through "Yog Karishu, Corona Ne Haravishu" Abhiyan

The art of inhaling and exhaling

Yoga is the journey of the self, to the self, through the self — Bhagavad Cita 🤧

PRACTICING yoga daily helps maintain a balanced metabolism, increases flexibility, muscle strength, tone, and improves respiration, energy and vitality. It is a state of harmony at every level of existence. Being celebrated since 2015, the 6th Yoga Day in 2020 will be observed indoors reflecting the need to maintain social distancing. The theme for this Yoga Day is 'Yoga for health - yoga at home'. The theme highlights that yoga is a powerful tool to deal with the stress of uncertainty and isolation and helps maintain physical well being. Amidst the pandemic, the ministry of AYUSH has started a campaign 'Yoga at home' and 'Yoga with family'. Otherwise, every year people come together to stretch and bend on this day and gather outdoors in huge numbers to practice this art. The themes previous years have been 'Climate Action, 'Yoga for the heart', 'Peace and harmony' and 'Health and connecting the youth'.

The day was proposed by Prime Minister Narendra Modi for the first time during his speech at the UNGA and since then the International Yoga Day came into existence. Prime Minister Narendra Modi has this year too rooted for yoga as a multi-dimensional solution to many

for this Yoga Day to bridge the distance between the body and the mind. He also has encouraged people to stay active and fit during the pandemic period. The Chief Minister of Gujarat has launched the #DoYogaBeatCorona. The campaign has received a tremendous response from the six crore Gujaratis. To take yoga to each and every individual of Gujarat, Chief Minister Vijay Rupani has also set up the first Yoga Board of India, giving direction to a prosperous society with an increased health and happiness index. Says Rajkotbased Geeta Kalvani, a trainer in the Yoga

health problems and challenges and has asked one with nature and all of us around the world in board, "Yoga is a spiritual discipline. I have been

daily since it provides me with the mental and physical strength while keeping my thoughts positive throughout the day. With the help of Shri Vijay Rupani, I have got this opportunity where I can share this knowledge with people around me. The arrangements made by him in our society help me with continuing to teach and practice this ancient heritage. I am also happy to be part of the State Yoga Board formed under our CM's guidance to help us learn, live and teach yoga all over Gujarat. This Yoga day, let us embrace the feeling of Vasudhaiv Kutumbakam and be

practicing yoga since five years. I practice yoga energy, mind and soul."

Finding mention in the Hindu holy scripture of Bhagavad Gita, and derived from the Sanskrit word yog, yoga means to unite. It symbolises the union of body and consciousness. Yoga is an ancient mental, physical and spiritual practice that originated in India around 5,000 years ago and is practiced around the world today on a daily basis. For many, these routines are a way to connect the body, mind and soul in a way that has existed for centuries. Recognising its universal appeal, on December 11, 2014, the United Nations proclaimed June 21 as the International Day of Yoga (Resolution 69/131). The resolution notes the "importance of individuals and populations making healthier choices and following healthier patterns that foster good health." The summer solstice day in the northern hemisphere of June 21, the longest day of the year, was chosen to be observed as International Day of Yoga

The day, every year, will be marked by enthusiasm. There might be a change in the locale, but the essence will remain the same.

12,000 students of municipal schools 'not traceable' in Surat

KAMAALSAIYED

SURAT. NOVEMBER 1

EVEN AS the Gujarat government has announced reopening of schools after Diwali, the Surat Municipal School Board (SMSB). in a survey, has found over 12,000 students studying in Hindi, Marathi and Odiya mediums in its school are "not traceable" and may not have returned from their home states after the lockdown.

The Surat Municipal School Board imparts education in seven mediums - Gujarati, Hindi, Urdu, Marathi, Odiya, Telugu and English — to 1.5 lakh students in 320 schools, from classes 1 to 8. The strength of teaching staff in the schools is 3,900.

Surat city is home to nearly 10 lakh migrants from other states, including Uttar Pradesh, Bihar, Odisha, Maharashtra, Rajasthan, Jharkhand, Uttarakhand, Telangana and Andhra Pradesh, who work in textile, diamond and other industries here. Also, there are over 13 lakh people from different districts of Saurashtra who work mostly in the diamond factories and textile sector in Surat. Most of their children study in municipal schools.

SMSB Education Officer Vimal Desai said, "In a survey, we found that over 12,000 students of Hindi, Marathi and Odiya mediums from classes 1 to 8, were not present for the online classes. Their parents' mobile phones were switched off, so they fall in 'no contact category'.'

As per the survey, Desai said, 30,000 students staying in Surat regularly attended online classes, while 35,000 students attended online classes from their native

Similarly, around 40,000 students were those who either had no Android mobile phones or had only one Android mobile phone in the house, which would be with the father who went out to work. But they attended the gov-
